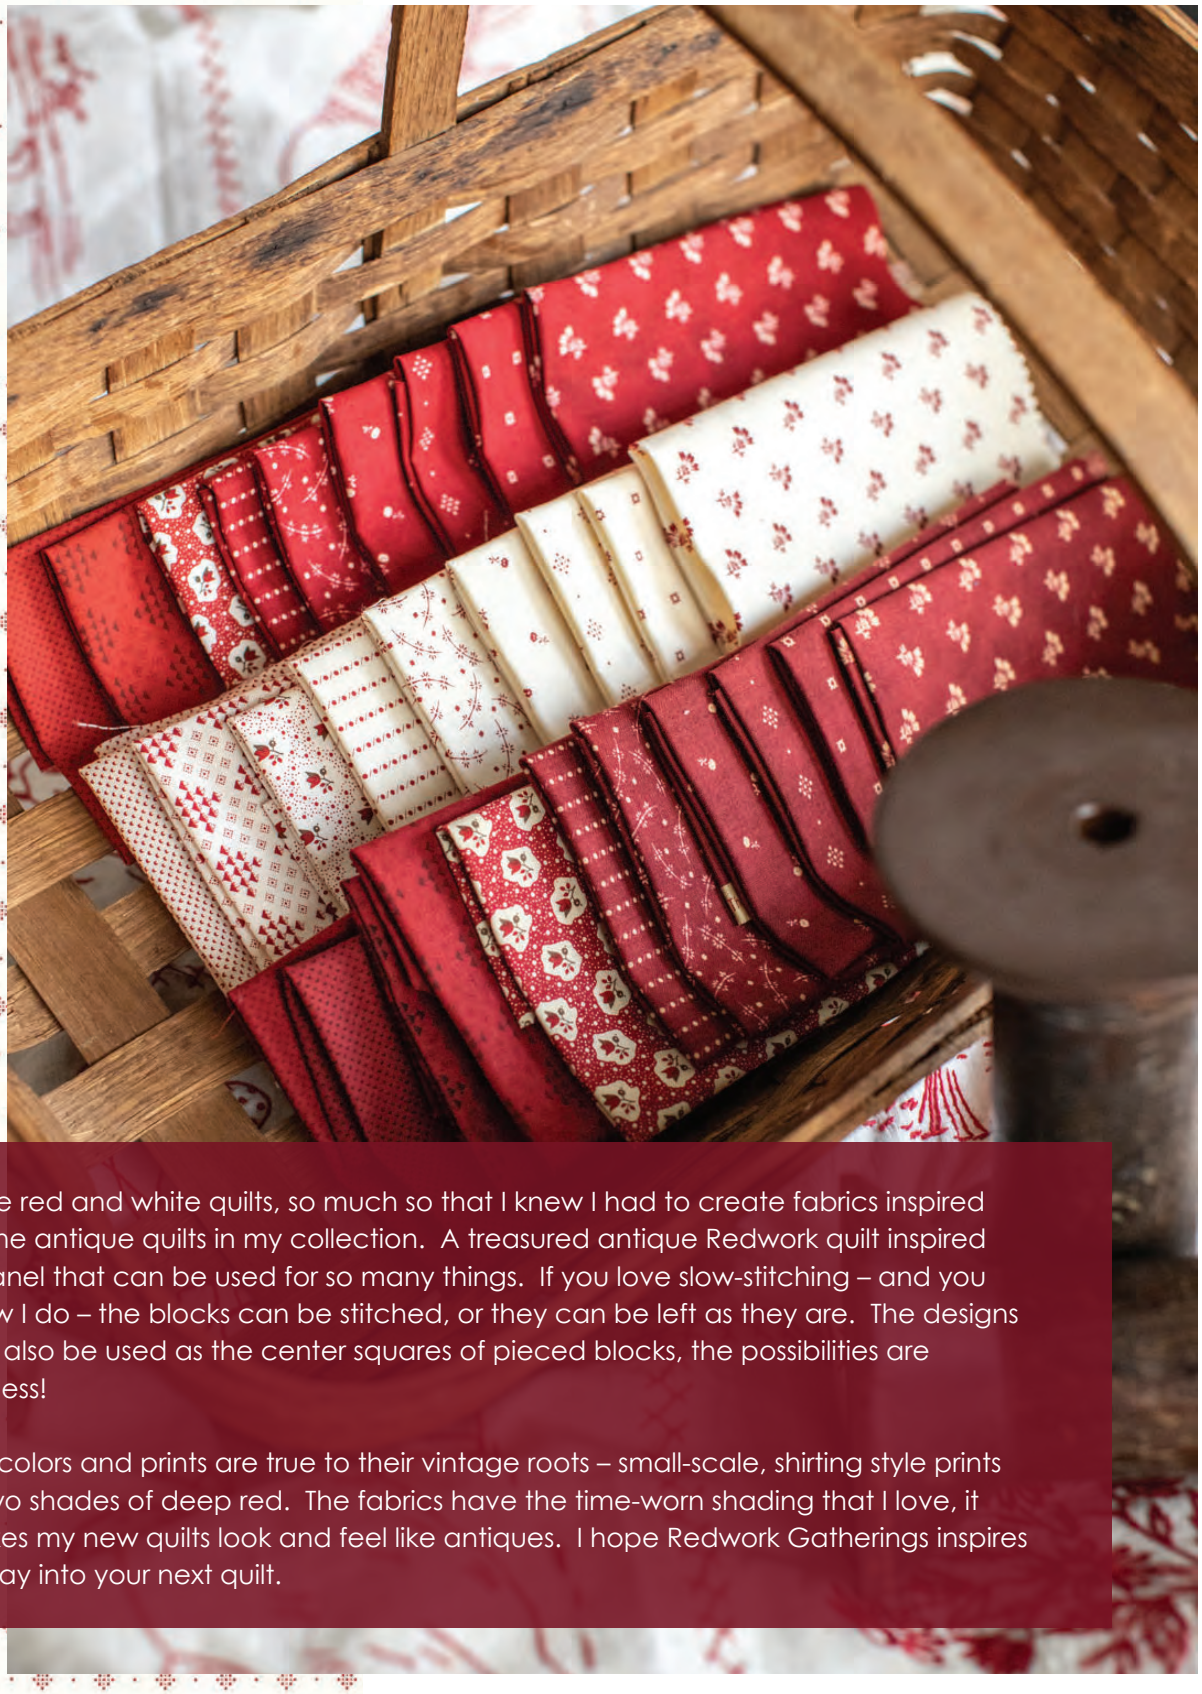
Redwork Gatherings

PRIMITIVE GATHERINGS



I love red and white quilts, so much so that I knew I had to create fabrics inspired by the antique quilts in my collection. A treasured antique Redwork quilt inspired a panel that can be used for so many things. If you love slow-stitching – and you know I do – the blocks can be stitched, or they can be left as they are. The designs can also be used as the center squares of pieced blocks, the possibilities are endless!

The colors and prints are true to their vintage roots – small-scale, shirting style prints in two shades of deep red. The fabrics have the time-worn shading that I love, it makes my new quilts look and feel like antiques. I hope Redwork Gatherings inspires its way into your next quilt.
