

Apricot Candy

by Bunny Hill Designs

Did you know you can satisfy a sweet craving with fabric? Let me introduce you to Apricot Candy!

Filled with delicious shades of apricot, peach, buttery yellow, aqua, soft green, rose, and cream, this collection is as sweet as its name. The colors remind me of fresh-picked apricots, warm homemade pies, saltwater taffy, and long afternoons spent enjoying the simple pleasures of summer.

Bunny Hill Designs

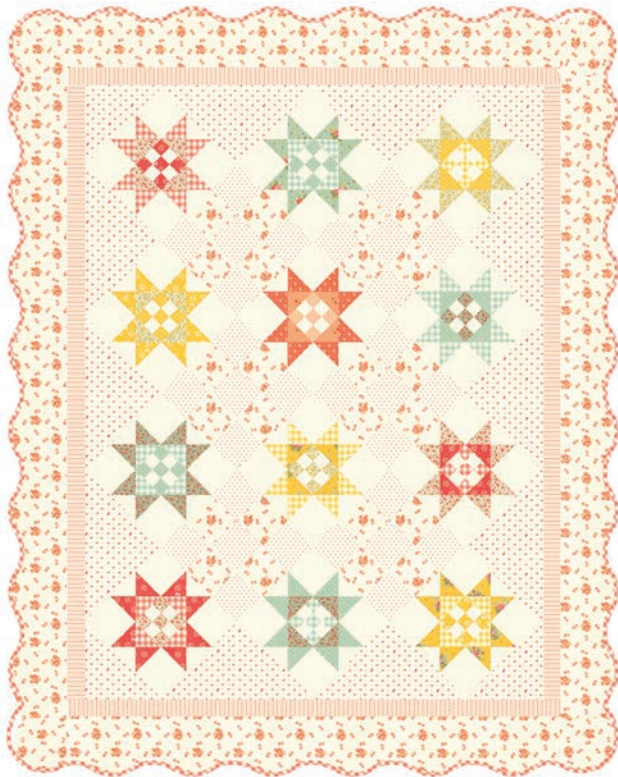

Apricot Candy brings together delicate florals, charming checks, sweet stripes, and playful prints designed to mix effortlessly. You'll find kitties tucked among the tulips, butterflies dancing through the daisies, and plenty of cottage-inspired details that add a touch of whimsy to every project. Whether you're making quilts, pillows, bags, or home décor, these fabrics were created to work beautifully together.

I wanted this collection to feel happy, comforting, and a little nostalgic—like sunshine on a late summer afternoon when the days are beginning to soften and fall is just around the corner. Inspired by the simple joys I find in everyday life, Apricot Candy celebrates those sweet moments we want to hold onto just a little longer.

I hope this collection inspires you to create something beautiful that will be treasured and loved for years to come.
