

Cardinal's Nest

Kansas Troubles Quilters

It's been fun to play with two-color collections like my recent Blackbird's Nest and Bluebird's Nest. The red & cream collection, Cardinal's Nest, is especially dear to me. We've had a wonderful assortment of birds at our feeders over the years, but seldom enjoyed seeing a cardinal. Dad has been gone for years, Mom passed away last summer. Since then, a pair of cardinals has been hanging out at the bird bath and nesting in our cottonwood tree. I'm so excited they've adopted us! I'd like to think it's Mom & Dad, watching over us, as we enjoy life on the homestead that's been in our family for four generations. I hope you enjoy the rich reds and range of creams included in this collection, whether you keep them together or add them to your KT stash.
