

Eucalypt

Pieces to Treasure

Toweling and Wovens

BY JENELLE KENT

Eucalypt captures the quiet beauty of the Australian landscape in a timeless collection of natural textured fabrics. Featuring twenty coordinating woven fabrics, twelve 18" wide toweling designs and three 60" wide toweling fabrics, the range blends soft eucalyptus greens, gentle neutrals and classic checks and stripes.

Designed for everything from quilts and home decor to bags, and practical everyday projects, Eucalypt brings together understated elegance and enduring versatility. With its calming palette and beautifully coordinated textures, this collection invites makers to create pieces that are both functional and effortlessly beautiful, celebrating the warmth and tranquility of nature in every stitch.
