Flora + Thread - the beauty of a handmade mark, a brushstroke, a stitch. Painterly florals bloom, foliage weaves together, birds flutter by, and geometrics take on texture in Flora + Thread.

The palette is welcoming: a washed dark for depth, spice for warmth, aqua for freshness, with playful accents of yellow, red, and pink all resting on the creamy base that I love to use in my collections to keep everything feeling warm and livable. But **the real beauty happens when they're cut, pieced, stitched, and made into something uniquely yours** and I can't wait to see you create with Flora + Thread.
