HOME ON THE RANGE

Deb Strain

From the days of the old Wild West, through decades of rodeos and round-ups, the American West has come to symbolize a love of open spaces, hard work and freedom. Cowboys and cowgirls practice their skills daily as they lasso, rope and ride!

This new collection captures that Western imagery with bucking horses and swirling lassoes, cowboy boots and hats, and horseshoes and saddles. Warm reds, browns and tans are predominant with a touch of turquoise. If you love the country-western way of life, this collection is sure to provide "Happy Trails" and perfect projects!
