

La Maison Bleu

La Maison Bleu is a warm and timeless collection inspired by the quiet beauty of old French homes and the beloved blue tones of French General – indigo, woad and soft ciel blue. At the heart of the collection is a whimsical hand-drawn sampler by English artist, Alice Pattullo, perfect for stitching, quilting or creating small pillows and treasured keepsakes.

Rich with nostalgic color, and gentle charm, La Maison Bleu invites you to slow down, make something beautiful by hand and bring a little French countryside into your home.
