

Love & cheer

HENDERSON

LOOKING OUT THE WINDOW and seeing signs of bright life against a snowy backdrop inspired this collection. My in-laws' home sits on a hill where the pine trees compete for height. The tall windows all around the perimeter allow for many such views during our Minnesota winters. Rich foliage boasting of deep emeralds set beside deep reds instantly give the Christmassy feel I've come to love! The collection's name, Love & Cheer, invites a feeling of warmth from the beaks of classic cardinals and robins. The Christmas season is one of intensity. The bold contrast of the cold outdoors ushers us into the warmth of our homes. Nature quiets into hibernation while a few strong ones stay out to shine. These classic poinsettias, birds, holly, berries, pomegranates, ivy and the like sing. Their cheerful song invites us to slow down, peer out the window, and spread love and cheer! And to do so to both friend and neighbor, far and near!
