

# NANTUCKET SUMMER

*by camille roskelley*

I became smitten with the color navy my first summer on Nantucket, a tiny little island off the coast of Cape Cod. I traveled across the country all by myself to this lovely place I'd only read about and spent my summer working on a sailboat and in a darling little ice cream shop. It was my first time completely on my own and I was ready for a new adventure. From the first moment I stepped off the ferry, it was love at first sight. From the cobblestone streets and salty air, to the beautiful flowers that grew everywhere I looked, Nantucket was and will always be perfection. My love of coastal design, simplicity, antique quilts, and every shade of blue began that summer, and 20 years later, it's still going strong. There's just nothing quite like a Nantucket summer.
