

STARS & STRIPES

by camille roskelley

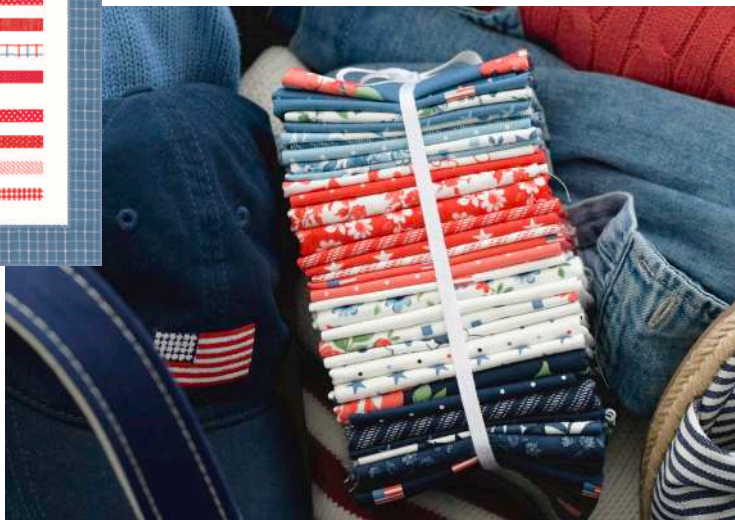

Grab your flag sweaters, sandals, and your favorite linen dress because it's officially the start of an east coast summer. My newest collection is classic Americana at it's best. These reds, whites and coastal blues are perfect for all kinds of quilts for those long summer days. Some classic Camille Roskelley prints return mixed in with brand new favorites all in cheery patriotic colors. I hope this collection will help you create some beautiful summer memories with your crew.
