# Tranquility

by Sarah Thomas of SARIDITTY 

Tranquility is an unexpected **low volume collection** from SARIDITTY that encourages you to relax and breathe in the calmness and serenity surrounding you. Maybe it's sipping a hot cup of tea, listening to the rain on a lazy afternoon, reading a fantastic book, or putting together a quilt pattern...whatever the activity or indulgence, find the peace and stillness that goes along with it.

**Tranquility offers 25 prints** adorned with Sarah's well known free motion motifs, quilty math, and favorite written verses. This collection offers a timeless selection of marshmallow white, milky sand, moody greys, and sophisticated charcoal. It is fantastic on its own, **paired with Sarah's coordinating favorite 16 Bella Solids**, or mixed & matched with your fabric stash. Find your balance of heart, mind, vision, and peace with Tranquility.
